ON TYRANNY: A historian of fascism offers a guide for surviving and resisting America's turn towards authoritarianism.

Timothy Snyder is one of the most celebrated historians of the Holocaust. In his books "Bloodlands" and "Black Earth", he has carefully dissected the events and values that enabled the rise of Hitler and Stalin and the execution of their catastrophic policies. With "Twenty Lessons", Snyder draws from the darkest hours of the twentieth century to provide hope for the twenty-first. As he writes, "Americans are no wiser than the Europeans who saw democracy yield to fascism, Nazism and communism. Our one advantage is that we might learn from their experience."
